### **DETAILED ACTION**

Claims **1-33** are pending in this application, which claims benefit of 60/427,164 filed 11/18/2002, is acknowledged.

This application is in condition for allowance except for the following formal matters:

The disclosure is objected to because of the following informalities:

On page 7, line 10, "Each memory cell 20" should read --" Each memory cell 40"--, and line 12, "memory cells 20" should read --memory cells 40". On page 8, line 2, "the memory cell 20" should read --"the memory cell 40".

Claims **2, 21 and 33** recite the limitation "the aperture" in claims **1, 17 and 30**. There is insufficient antecedent basis for this limitation in the claims.

### ***Allowable Subject Matter***

The following is a statement of reason for the indication of allowable subject matter:

The prior art of record and considered pertinent to the application's disclosure fails to teach or suggest the limitation recited a magnetic memory element comprises, in combination with all other features in the claim, a storage magnetic layer having two conjugate segments with opposing magnetic helicities as claimed in independent claim **1**; a memory cell comprises, in combination with all other features in the claim, a storage magnetic layer having two conjugate segments with opposing magnetic helicities as claimed in independent claim **12**; a memory device comprises, in combination with all other features in the claim, a storage magnetic layer

Art Unit: 2818

having two conjugate segments with opposing magnetic helicities as claimed in independent claims **17 and 22**; and a computing device comprises, in combination with all other features in the claim, a storage magnetic layer having two conjugate segments with opposing magnetic helicities as claimed in independent claim **30**.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

When responding to the office action, Applicants' are advice to provide the examiner with the line numbers and page numbers in the application and/or references cited to assist the examiner to locate the appropriate paragraphs.
